

# After hours works

## Indooroopilly rail bridge

Late April/early May 2024 **UPDATE**

### What?

Queensland Rail will undertake safety critical bridge maintenance activities after hours to support the current refurbishment works on the Indooroopilly rail bridge. Works include bolt replacement and associated activities.

### When?

Night works (previously notified) will be carried out each night, weather and construction conditions permitting, **from 8pm until 5am** the next day on:

- **Monday 29 April to Tuesday 7 May 2024 (over nine nights).**

Additional activities will be undertaken **6am to 6pm** (day shift only) on:

- **Sunday 5 May 2024** (day shift only)
- **Monday 6 May 2024 - public holiday** (day shift only).

All other works previously notified for 11 to 24 May remain unchanged.

### Where?

Works will mainly occur on the central section of the Indooroopilly Bridge (steel rail bridge between the Walter Taylor road bridge and the Albert rail bridge).

Residents may notice noise associated with the operation of machinery, including generators and compressors, and powered tools and equipment. There may be an increase in project vehicles on surrounding roads near the work compounds on either bank of the river.

### Impacts

Trucks and on-track vehicles with flashing lights and reversing beepers

After hours works - nights, Sunday and public holiday

Operation of machinery (generators, compressors) and powered tools and equipment

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your understanding during these important works. Works may be subject to change due to weather conditions and operational requirements.
