

South Bank platform 1 upgrade

WORKS NOTICE

Day, night and weekend works

Thursday 1 September to Friday 30 September

As part of the South Bank platform 1 upgrade, Queensland Rail will continue platform works during September (weather and construction conditions permitting).

Queensland Rail is keeping the station and all platforms open this month to support Brisbane's major spring events season.

Day and night works have been scheduled for weekdays only. Nearby residents may experience some noise associated with construction activity, machinery and truck movements.

Overview of day and night works (weekdays only)

Location	Dates and hours of work	Type of work
South Bank station - platform 1 (Grey Street/Southpoint entrance)	Weekday works from 6.30am to 6.30pm throughout September.	Concrete pouring, lift demolition works, service installation, finishing and roofing works involving: <ul style="list-style-type: none"> the use of loud hand-held tools and powered equipment, including jackhammers concrete pouring from the closed section of the Vulture Street footpath structural steel, roof sheeting and plumbing works installation of wall and ceiling sheeting operation of trucks and machinery with flashing lights and reversing beepers, including concrete saw cutter and line pump, scissor lift and forklift movement of personnel and vehicles around the station precinct and Vulture Street partial demolition of the lift structure for lift modification works operation of forklifts with flashing lights and reversing beepers movement of personnel and material between Vulture and Tribune Streets (via platform 1) preparation for installation of station infrastructure.
	Weeknight works from 6.30pm to 4am throughout September. Works will take place intermittently as required. There will be some nights without any works.	
	The platform will remain open throughout September.	
South Bank station - platform 1 (Vulture Street entrance)	<ul style="list-style-type: none"> The platform 1 lift will be closed for lift improvement works from Monday 26 September to mid-October Alternative access to platforms from Vulture Street will be via the platform 2/3 ramp and to and from the Tribune Street and Grey Street platform entrances There may also be times when the Vulture Street footpath may need to be closed for concrete pours or station entrance works. Please follow signage and access the station via the above There may be times at the Southpoint entrance when service works will take place. Access to the station platform will be maintained at all times. 	

Every effort will be made to minimise disruption and we thank you for your patience while we upgrade platform 1 at South Bank station.
