

Concrete activities with early start Purchase Street, Banyo

What?

Queensland Rail's contractor will undertake concrete pumping activities as part of the Banyo station accessibility upgrade.

A concrete pumping truck will be situated in Purchase Street, Banyo.

Activities will commence early in the morning but generally will be undertaken during regular working hours (day shift).

We apologise for the late notice of these activities.

When?

Activities will commence from **5:30am until 5pm** (day works with an early start) on **Tuesday 10 September 2024**.

Where?

Concrete pumping activities in Purchase Street (near the pedestrian path to the station footbridge which is currently closed).

Concrete deliveries to site will be via local streets.

A lane closure with traffic management will be in operation on Purchase Street for safety. Please follow the direction of traffic controllers.

Access to private properties will be maintained. The pedestrian path along the footpath will be maintained.

Impacts

Movement of concrete pumping trucks and vehicles with flashing lights and reversing beepers

Day works, commencing at 5:30am

Operation of concrete pumps, machinery and powered tools

Lane closure and traffic management

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience while we build you a better Banyo station. Works may be subject to change due to weather conditions and operational requirements.
