

# Night works

## Banyo station

### What?

Queensland Rail will undertake electrical works in early July 2024, to coincide with the Banyo station accessibility upgrade.

These night works are a continuation of the current program of civil works undertaken in association with Energex activities and include electrical lighting and pole installation, excavation, concrete cutting (if required), concrete pumping and footpath reinstatement works.

We apologise for the late notice due to the extension of these works.

### When?

Night works from **8pm until 6am** the next day on:

- **Monday 1 to Thursday 4 July** (over four nights).

### Where?

Electrical and associated civil works will continue in footpath areas in the vicinity of the level crossing on St Vincent's Road, Tufnell Road, Royal Parade and Royal Parade east.

### Impacts

Operation of excavators, concrete pumping trucks and vehicles with flashing lights and reversing beepers

Night works

Lane closures and traffic management

Electrical works, excavation, operation of concrete pumps, machinery and powered tools

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience while we build you a better Banyo station. Works may be subject to change due to weather conditions and operational requirements.
