

Night works

Banyo station

What?

Queensland Rail will undertake night works to install telecommunications infrastructure throughout Banyo station, as part of the Banyo station accessibility upgrade.

Activities will involve Queensland Rail technicians on platforms, using ladders and powered hand tools to install conduits and cabling.

When?

Activities will be undertaken **between 8pm and 4am** the next day from:

- **Wednesday 15 January to Wednesday 5 February** (over three weeks, Monday to Friday works).

We apologise for the late notice of these works.

Where?

Activities throughout the Banyo station precinct, including platforms, station carpark and work compounds.

Materials and equipment will be transported to site by vehicles via site gates on St Vincent's Road, Royal Parade and in the Banyo library carpark (by arrangement).

Impacts

Movement of trucks and vehicles with flashing lights and reversing beepers

Overnight works, 8pm to 4am (weekdays only)

Operation of equipment and powered hand tools

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience while we build you a better Banyo station. Works may be subject to change due to weather conditions and operational requirements.
