

Night works

Banyo station **UPDATED**

What?

Queensland Rail's electrical works will continue if/as required in July 2024, supporting the Banyo station accessibility upgrade.

Works are part of the current program of civil works associated with Energex upgrade activities and include electrical lighting and pole installation, excavation, concrete pumping and footpath reinstatement works.

These night works are a contingency (weather and construction conditions) and will be worked only if required. We apologise for the late notice due to the extension of these works.

When?

Contingent night works **from 6pm until 6am** the next day on:

- **Sunday 7 to Friday 12 July** (six nights, if required).

Where?

Electrical and associated civil works will continue in footpath areas in the vicinity of the level crossing on St Vincent's Road, Tufnell Road, Royal Parade and Royal Parade east.

Impacts

Operation of excavators, concrete pumping trucks and vehicles with flashing lights and reversing beepers

Electrical works, excavation, operation of concrete pumps, machinery and powered tools

Night works

Lane closures and traffic management

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience while we build you a better Banyo station. Works may be subject to change due to weather conditions and operational requirements.
