

Afterhours works notice

Banyo station

What?

Queensland Rail will undertake platform works as part of the Banyo station accessibility upgrade.

Activities include early morning concrete pouring and early evening concrete finishing works.

When?

Works will occur from 4am to 7pm each day from Monday 18 to Wednesday 20 November.

Where?

Concrete pumping activities around the Banyo station precinct.

Concrete deliveries to site will be via local streets adjacent to the station precinct.

Traffic management will be in operation on local streets to assist safe access to the work site.

Impacts

Movement of concrete pumping trucks and vehicles with flashing lights and reversing beepers

Out of hours works

Lane closures and traffic management

Operation of concrete pumps, machinery and powered tools

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience while we build you a better Banyo station. Works may be subject to change due to weather conditions and operational requirements.
