

Bundamba station accessibility upgrade— station now open!

Queensland Rail is pleased to welcome customers back to Bundamba station. You'll find the new and improved station is more accessible and easier to use for a more seamless journey on our network.

The new modern station features:

A new footbridge with lift, ramp and stair access

Upgraded hearing augmentation loops and tactile ground surface indicators

Lighting and CCTV throughout the station and carpark

40 bicycle lock up enclosure with new security swipe access

New wayfinding and platform signage

Improved station building and facilities

Accessibility-compliant ticket window

4 accessible car parks

Improved seating and extended platform shelters

Full length high-level platforms

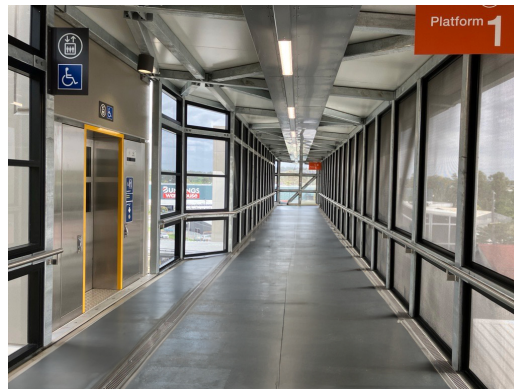

Carpark with space for 55 cars

Accessible toilets

Lift access to platforms

Footbridge accessible by lifts and stairs

Kiss 'n' ride and accessible parking

Station heritage features retained

Lower Mining Street station entrance

Bicycle lock up enclosure with new security swipe

Thank you for your support over the past nine and a half months. We hope you enjoy your new station.

This upgrade is part of Queensland Rail's ongoing investment to make stations more accessible. We're also upgrading Banyo, Buranda, Lindum and Morningside stations. Burpengary station reopened on 9 September 2024.
