

Works notification

Buranda

Why?

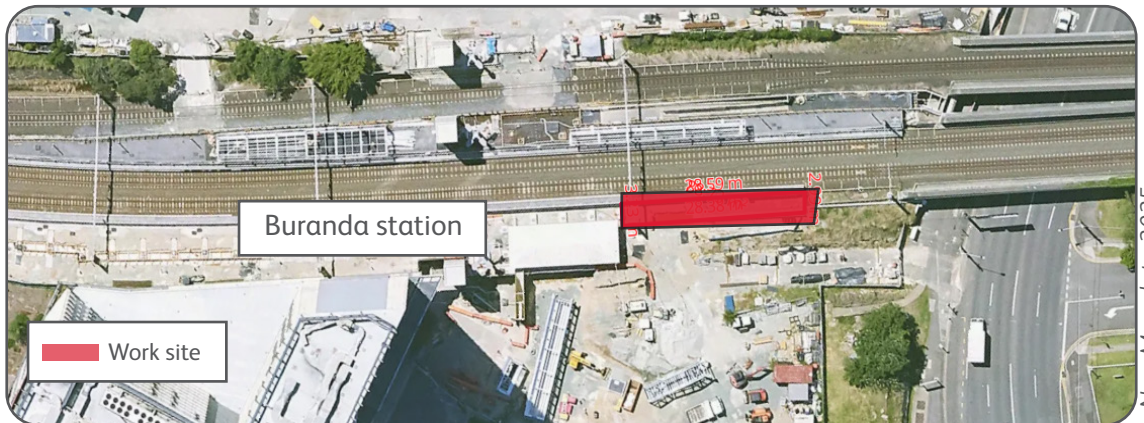

Queensland Rail will carry out early morning works as part of the Buranda station accessibility upgrade. The early morning works are required to secure concrete supply and equipment bookings.

When?

Early morning works will take place from **4:30am tomorrow, Friday 14 February**, with contractors on site from 4am.

Please note the above date and time is planned to the best of our ability and may change at short notice due to weather and construction/supply conditions.

Where?

Works will be occurring at Buranda station on platform 2 at the Logan Road end of the station.

Impacts

Trucks, machinery and construction noise

Lighting towers at night

Early morning works

Presence of concrete trucks and machinery

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we work to build you a better station.

Works may be subject to change due to weather conditions and operational requirements.
