## Buranda

### Why?

Queensland Rail will carry out after hours works as part of the Buranda station accessibility upgrade.

### When?

Works will take place on and during the following dates and times:

- Early morning concrete pouring will occur between Monday 7 October and Friday 22 November. Concrete trucks will be present from 5am on the days of pouring (not occurring every day during this period)
- Platform works between 11:30pm and 3:30am the next day, each night on Wednesday 16 and Thursday 17 October (two nights)
- Delivery of oversize footbridge segments will occur over various days and nights between Friday 18 October and Monday 18 November as follows:
  - Friday 18, Monday 21 and Tuesday 22 October throughout the day via Arne Street
  - From 2am and throughout the day on Monday 28 October via Gillingham Street
  - From 2am Tuesday 29 and Thursday 31 October via Gillingham Street
  - From 2am Thursday 14 and Friday 15 November via Gillingham Street
  - Monday 18 November throughout the day via Arne Street.

### Where?

Works will be occurring at Buranda station on the platform and within the station precinct. Delivery of footbridge segments will briefly impact traffic on Arne Street, Toohey Street and Gillingham Street. Traffic control will be in place to assist road users.

### Impacts

Trucks, machinery and construction noise

Lighting towers at night

Early morning, late night and weekend works

Operation of hand tools

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we work to improve our network.

Works may be subject to change due to weather conditions and operational requirements.
