

# Burpengary station accessibility upgrade

PROJECT UPDATE – MAY 2024

The Burpengary station accessibility upgrade is part of the State Government's ongoing investment to upgrade stations to make them accessible for everyone.

## Project progress

Burpengary station upgrade works are on track with the new station building fit out, further platform raising and lift works progressing well.

We have also made good progress on platform tactile, lift and footbridge construction works.

## Upcoming works

Customers and the local community can expect to see the following activities in May and June:

- **Platform shelter and awning works**
- **Communications Equipment Room extension works**
- **Carpark demolition and stormwater infrastructure works**
- **Lifts and footbridge works**
- **Station office and access works**
- **Platform raising work**
- **Electrical services and sewer and stormwater works.**

## Impacts (see map on back)

- Machinery and construction noise
- Station closure - an accessible shuttle bus service (Route 661) is running between Burpengary stations.
- The carpark on the Bantry Street side is closed with **some parking available on the Burpengary Road side.**

Please plan your travel by downloading the MyTranslink app, visiting [translink.com.au](https://translink.com.au) or by calling [13 12 30](tel:131230).

Thank you for your patience and understanding.
