

After hours works

Indooroopilly rail bridge May and June 2024

What?

Queensland Rail will undertake safety critical bridge maintenance activities after hours to support the current refurbishment works on the Indooroopilly rail bridge. Works are a continuation of recent bolt replacement and associated activities.

When?

Weekend works will be carried out **6am to 6pm** (day shift only) on **Saturday 25 and Sunday 26 May 2024**.

Night works will be carried out each night, weather and construction conditions permitting, **from 4pm until 4am** the next day on:

- **Monday 27 May to Sunday 16 June 2024** (up to 21 nights).

After hours (around-the-clock) works will be carried out during a scheduled track closure **from 3am Saturday 8 until 10pm Sunday 9 June 2024**.

All other works previously notified are unchanged.

Where?

Works will mainly occur on the central section of the Indooroopilly Bridge (steel rail bridge between the Walter Taylor road bridge and the Albert rail bridge).

Residents may notice noise associated with the operation of machinery, including generators and compressors, and powered tools and equipment. There may be an increase in project vehicles on surrounding roads near the work compounds on either bank of the river.

Impacts

Trucks and on-track vehicles with flashing lights and reversing beepers

After hours works - nights and weekends including Sunday

Operation of machinery (generators, compressors) and powered tools and equipment

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your understanding during these important works. Works may be subject to change due to weather conditions and operational requirements.
