

Lindum station accessibility upgrade

PROJECT UPDATE – FEBRUARY 2025

The Lindum station accessibility upgrade is part of Queensland Rail's program to upgrade our stations to make them accessible for everyone.

About the project

At Lindum station, finishing touches and the construction of the North Road carpark expansion continue this month.

When completed, the station will be more accessible, and easier for customers and the community to travel on our network.

The upgraded station will help people in wheelchairs, parents with prams and those travelling with luggage or who are injured, to access our trains with ease.

Construction progress

At Lindum, the following activities have recently been completed:

- Concrete pour - entrance plaza and footpath (Sibley Road carpark)
- Permanent power connection
- Lift commissioning
- Testing of services
- Finishing activities - minor patching, painting, sealing and concrete repairs.

Above: New Lindum station platforms and footbridge, with North Road carpark expansion works.

Upcoming works

In the coming weeks, customers and the community can expect to see the following activities (weather and construction conditions permitting):

- Finishing works throughout the station precinct - platforms, station building and Sibley Road carpark
- Landscaping establishment and maintenance
- North Road carpark expansion and Eccles Street entry works.

Construction impacts

During construction, localised impacts may include:

- North Road carpark closed
- reduced customer parking in Sibley Road carpark
- cross-corridor pedestrian access via level crossing local traffic management for safety
- increased vehicle movements near works
- noise associated with construction activity.

Normal working hours are **6am to 6pm, Monday to Saturday**. Prior notification will be provided for after hours activities (nights, Sundays or public holidays).

Thank you for your patience while we build you a better Lindum station.

Weekend works

- **Saturday 1 and Sunday 2 March, 6am to 6pm**
North Road carpark expansion works.
Miscellaneous finishing activities on platforms and throughout the station precinct.
