

Early morning works

Lindum station

3:30am, Monday 14 October 2024

What?

Due to the current adverse weather conditions, Queensland Rail's contractor has rescheduled some station upgrade concreting activities to commence earlier than planned on Monday 14 October.

We apologise for this late scheduling change.

When?

Earlier than scheduled morning (out of hours) works on:

- **Monday 14 October, from 3:30am.**

Other rescheduled works will be undertaken during regular working hours.

All other project works are as previously notified.

Where?

Concrete pumping activities around the Lindum station precinct, primarily near platform 1 (North Road carpark side of station).

Concrete deliveries to site will be via the site gate at the North Road carpark.

Traffic management will be in operation on local streets to assist safe access to the work site.

Impacts

Movement of concrete pumping trucks and vehicles with flashing lights and reversing beepers

Operation of concrete pumps, machinery and powered tools

Out of hours (early morning) works

Traffic management

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience while we build you a better Lindum station. Works may be subject to change due to weather conditions and operational requirements.
