

After hours works

Lindum station

What?

Queensland Rail will undertake after hours activities - installation of main fibre-optic cables underneath the station platform - for the Lindum station accessibility upgrade.

When?

After hours (overnight) works will be carried out on **Wednesday 13 November and Thursday 14 November from 11.30pm to 5am each night** (over two nights).

For safety, these works can only be undertaken at night when rail traffic is reduced.

We apologise for the late notice of the scheduling of this work.

Where?

Installation of main fibre-optic cables will be carried out underneath the platforms at Lindum station and personnel will be on-site within the station precinct.

Impacts

After hours activities (overnight)

Lighting towers at night

Construction activity and personnel on-site within the station precinct

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your understanding as we build you a better Lindum station. Works may be subject to change due to weather conditions and operational requirements.
