

Overnight delivery

Lindum station

What?

Queensland Rail will undertake after hours activities - overnight delivery of footbridge staircase components (oversize load) by truck under escort and traffic control.

When?

Truck movements will be undertaken between **11.30pm Wednesday 18 and 4am Thursday 19 September 2024.**

Due to the oversize nature of the load and the anticipated impact to the road network, this delivery can only be undertaken overnight.

We apologise for the late notice of the scheduling of this complex operation.

Where?

Delivery of oversize load to the station's North Road carpark and rail property, with access via North Road.

Impacts

Delivery of oversize load under escort - trucks with flashing lights and reversing beepers

After hours activities (overnight)

Traffic control for safety

Truck and crane operation, unloading of staircase, personnel on-site

Lighting towers at night

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your understanding as we build you a better Lindum station. Works may be subject to change due to weather conditions and operational requirements.
