

# Works notification

## Morningside - UPDATED

### Why?

Queensland Rail is commencing the demobilisation of site offices from Morningside station. The site offices will be lifted out by crane and placed on trucks for removal.

Temporary lane closures will be required on Waminda Street to facilitate the loading of the buildings onto trucks. Traffic control will be in place during the day to ensure safe movements of traffic during the temporary lane closure.

### When?

Due to Ex-Tropical Cyclone Alfred, the works planned for 7 March were postponed. The works will now occur Friday 14 March between 6am and 6pm.

### Where?

Works will be occurring at Morningside station precinct adjacent to Waminda Street.

### Impacts

Crane operations

Traffic control for temporary lane closures

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we work to complete your station.

Works may be subject to change due to weather conditions and operational requirements.
