

# Works notification

## Morningside

Why?

Queensland Rail will deliver a 450T crane to Morningside station, to facilitate station accessibility upgrade works on the weekend of 29 and 30 June.

When?

From 5am Friday 28 June into the day.

Where?

The crane will be delivered to the Wynnum Road entrance of the Morningside station work site. Traffic control will be in place to direct motorists and assist trucks with delivering the equipment and machinery to site safely.

Impacts

Trucks, trailer and vehicle movements

Traffic control and lighting

Night works

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we work towards building you a better station.

Works may be subject to change due to weather conditions and operational requirements.
