Position Purpose

To carry out the installation, maintenance and repair of telecommunications cables and cabling equipment and report on the performance and condition of the network asset to ensure its safe and effective operation.

Position Responsibilities

1. Install, maintain and repair telecommunications cables and cabling equipment in accordance with predefined work programs.
2. Ensure all work is performed in accordance with Workplace Health and Safety (WH&S) requirements and legislative policies including work activities performed by subordinate employees.
3. Ensure all work is performed in accordance with technical and operational specifications and standards including work activities performed by subordinate employees.
4. Maintain all records and associated documentation relating to asset condition, maintenance programs and costing systems.
5. Report on actual work performed against the scheduled work program, and report any equipment performance and condition irregularities.
6. Progress the implementation and application of work procedures and practices in pursuit of ensuring continuous quality improvement.

Additional Factors

The appointee will be required to :-

- Comply with Queensland Rail's Code of Conduct;
- Observe all legal and safety obligations of the organisation;
- Be available for call out/standby duties, overtime and higher grade relief as required;
- Be available to work away from home station and travel as required;

Position Description

- Undertake further training considered necessary for the effective performance of the duties associated with the position and career development;
- Work in a semi-autonomous manner within broad guidelines.

What is the key selection criteria

1. Substantial level of skill maintenance, testing, fault rectification, and installation of cables and cableways.
2. Substantial knowledge of the standards and procedures associated with the installing and maintaining of cables and cableways.
3. Sound knowledge of the WH&S Act and relevant Queensland Rail safety policies and procedures.
4. Sound interpersonal, oral and written communication skills.
5. Knowledge of and willingness to commit to and work within Queensland Rail's Values and Behaviours.
