Position Purpose

To provide strategic direction to Queensland Rail's Ready for Growth Transformation Office ensuring financial planning, cost collection, control management and reporting services support to optimize commercial outcomes.

This position is the primary interface between Queensland Rail and the Ready for Growth Transformation Office in relation to all finance matters in cooperation with Corporate Finance.

Position Responsibilities

1. Lead the Ready for Growth transformation office annual operational plan and relevant committee submissions as per enterprise timetable and parameters in conjunction with Corporate Finance.
2. Lead the Ready for Growth finance team in the provision of specialist cost collection, control, reporting and management services across Queensland Rail.
3. Ensure Queensland Rail's financial obligations are met in accordance with established Queensland Rail processes and legislative requirements.
4. Lead and manage the identification, assessment, prioritisation, and execution of monitoring the health of the cost management function and effecting continuous improvement.
5. Develop and review Capital and Investment Committee submissions in conjunction with PMO and Corporate Finance.
6. Participate in relevant government bodies, industry associations and other stakeholder groups to influence direction of the industry to support Queensland Rail's commercial business strategies.
7. Manage the Ready for Growth finance representatives to generate accurate forecasts and cashflows.

Position Description

8. Develop and provide advice to the Chief Financial Officer regarding collateral and briefing requirements to enable Queensland Rail's position to be effectively represented at various CFO Advisory Groups and relevant forums.
9. Provide advice and strategic support to the Group Executive in relation to decision making with financial consequences.

Additional Factors

The appointee will be required to :-

- Comply with Queensland Rail's Code of Conduct;
- Observe all legal and safety obligations of the organisation;

What is the key selection criteria

1. High level of skill in the development, implementation and evaluation of strategy, frameworks, policy and programs.
2. Extensive knowledge of financial and commercial issues facing a large infrastructure business.
3. High level of leadership skill which motivates employees to collectively work to achieve desired results.
4. High level of conceptual, analytical and problem-solving skills particularly in relation to critically assessing performance issues and opportunities and providing commercial advice.
5. High level of influencing, interpersonal, consultation, relationship building and negotiation skills that build and sustain productive relationships and partnerships.
6. Knowledge of and willingness to commit to and work within Queensland Rail's Values and Behaviours.
