Position Purpose

Provide a safe, efficient and reliable electrical and mechanical service to the Kuranda Scenic Railway Operations and others of the Travel & Tourism Maintenance Depot, Portsmith.

Position Responsibilities

1. Contribute to safety, reliability and availability of Traveltrain rollingstock by performance of preventative maintenance, troubleshooting, complex fault finding and repairs on rollingstock and associated components and equipment in an efficient manner.
2. Utilise computer based maintenance systems to accurately and timely input and review data, such as recording the work performed including repair and preventative maintenance, and all materials used.
3. Contribute towards the Kuranda Scenic Railway Carriage overhaul and refurbishment programs in accordance with relevant procedures and instructions.
4. Assist in derailment and accident situations in order to minimise effect on customers, to minimise the effects of in service rollingstock defects by efficient and timely attendance and repair of rollingstock in the field as required.
5. Work as part of a team with other Maintainers and Presentation Attendants to accomplish maintenance and presentation objectives as efficiently as possible.
6. Undertake all duties in a safe manner in accordance with Queensland Rail's Safety and Environment Management System and all other Queensland Rail policies as required.
7. Carry out all non-skilled depot duties e.g housekeeping duties (cleaning etc)necessary to ensure the facility is kept clean and tidy and provides a safe workplace.
8. Perform all other duties and functions necessary for the efficient

operation of the depot.

Additional Factors

The appointee will be required to :-

- Comply with Queensland Rail's Code of Conduct;
- Observe all legal and safety obligations of the organisation;
- Attend additional training as required;
- Must be prepared to work shift work including public holidays and weekends;
- Must be prepared to be on call as required;
- Travel in the area covered by the operations of the Traveltrain rollingstock as required;
- Attend call outs/ins after hours;
- Attend training and re-skilling at a location other than their home depot;
- Possession of National Drivers C, LR and HR applicable to the facility;
- Appointment is subject to the successful completion of additional QR specific training;
- Observe all legal and safety obligations of the organisation.

What is the key selection criteria

1. High level of skill in preventative and unscheduled maintenance and fault finding on locomotives or other Traveltrain rollingstock.
2. Substantial skill in working as a member of depot work teams with minimal or no direct supervision and in an autonomous capacity.
3. Sound knowledge of safety and environmental practices and procedures.
4. Sound knowledge of Quality Management Principles.
5. Sound skills in computer Maintenance Management Systems use.
6. Sound knowledge of Quality Management principles.
7. Knowledge of and willingness to commit to and work within Queensland Rail's Values and Behaviours.
