Position Purpose

Inspect and repair City Network rollingstock and associated components and equipment to the required quality standard in the most effective and efficient manner.

Position Responsibilities

1. Perform maintenance and repair duties on all City Network rollingstock and equipment in accordance with the current relevant procedures and instructions.
2. Maintain and repair associated equipment and components using current diagrams and test equipment.
3. Co-operate with other section members to assist in the effective scheduling and completion of work requirements within designated timeframe.
4. Follow all procedures, work instructions, plans and standards in accordance with best practice performance to ensure good customer service.
5. Undertake all duties in a safe manner in accordance with the Workplace Health and Safety and Environmental Acts and all other Queensland Rail policies as issued.
6. Utilise the computer based Maintenance Management System in SAP to input and review data in Work Orders (History).
7. Communicate effectively with other staff members to ensure work is completed on time and write reports on jobs as required.

Additional Factors

- The appointee will be required to :-
- Comply with Queensland Rail's Code of Conduct;
 - Observe all legal and safety obligations of the organisation;
 - Work shifts in line with rosters;

Position Description

- Work overtime as directed;
- Attend further training as required;
- Work in any section of Maintenance (Citytrain Assets) as directed;
- Gain competencies aligned to business requirements.

What is the key selection criteria

1. Substantial skill in maintenance, fault finding and repair of rollingstock, associated systems and their components.
2. Substantial skills in working autonomously and within a team environment.
3. Substantial knowledge of Quality, Safety and Environmental procedures.
4. Sound level of skill in the use of PC and Mainframe computer application skills.
5. Sound interpersonal, oral and written communication skills.
6. Knowledge of and willingness to commit to and work within Queensland Rail's Values and Behaviours.
